

Dear parents:

The Children's and Youth Ministries are exploring ways to better support children and youth with special needs in our programs. We are at the very early stages of planning and would like to hear from you about we can better serve you. You know best the needs of your children. Please fill out this questionnaire to help us learn. Feel free to contact Susan May (skmay123@sbcglobal.net or 218-1701) if you would like to discuss anything further.

Please feel free to use the back of this paper for any additional comments.
